Description :

Passepoil the little dog is wagging its tail with pleasure. He is standing in front of a mountain of fat truffles. With the help of his friends, he must make a beautiful wrapping for each truffle... without eating any. Of course, he and his friends can't quite resist having a few licks and nibbles...

Information :

- Passepoil the dog returns in an adventure that is as much fun as the first one.
- This time, Passepoil and his friends get into trouble and need to find a way out.
- Funny and colourful, Fanny's illustrations make children giggle with pleasure.
